**ESTABLISHMENT OF THE DIRECTORATE OF RETURN OF CASES, RECORDS
& ARCHIVES:**

In order to ensure that our records are well kept for future generations as well as the smooth return of cases for our courts, I consider it expedient to establish a full fledged Directorate of Return of Cases, Records and Archives to be headed by a Director.

Consequently, I hereby establish the Directorate of Return of Cases, Records and Archives with immediate effect. You are by this directed to secure accommodation and other incidentals to enable the Directorate to take off immediately.

Thank you.
